

EPOS™

Electronic Presentation Online System

Confirmation of Online Presentation

This is to officially confirm that

M. Villa¹, I. Artero-Munoz², M. Santillana¹, E. Rivera², J. M. Rodriguez Mesa², J. MUÑOZ³, ¹Málaga/ES, ²Malaga/ES, ³MALAGA/ES

presented the electronic poster entitled

Percutaneous ablation of focal malignant lesions in the liver: how, when and why

within the Electronic Presentation Online System (EPOS™)
of the European Society of Radiology. The presentation is available
at www.myESR.org/epos and can be cited through this unique DOI:

10.1594/ecr2012/C-1286

Once the presenting author has registered for the congress, this poster will be part
of the ECR 2012 electronic scientific exhibition (March 1–5, Vienna/AT).

Prof. Adrian K Dixon

Chairman of the ESR Publications Committee

Vienna, February 2012
